The perfect venue for meetings & events

## Full Leisure and Conference Facilities in one perfect location

The Glenavon House Hotel is located in the geographical centre of Northern Ireland. The 62 room family run hotel, has full leisure and conference facilities.

Northern Ireland's finest countryside is the perfect location for an internationally appointed hotel. Hand in hand with all the facilities you would expect in a luxurious 'home from home', goes all the friendliness and warmth of welcome the Glenavon is known for.

**Conferences and seminars are very well catered for at the Glenavon, with no less than 8 suites available we can cater for up to 400 delegates, while suiting all requirements and budgets.**

All conference suites provide the necessary audio-visual equipment which may be required, can be arranged in almost any configuration to suit your event and are fully accessible for wheelchairs. Controlled air conditioning and heating ensures a comfortable atmosphere and all rooms are fitted with telephone sockets.

All rooms are multi purpose and the enclosed plan gives an indication of seating arrangements and capacities of each room together with technical data and charges.

With a range of meals and refreshments at your disposal, from tea and coffee to lunch, dinner and buffets, you can be confident that your conference or seminar will be successful and memorable.

We also offer a full range of back up service including photocopying, printing and typing should they be required.

# Experienced Planning Services

---

As a conference venue, we have experience which will prove to be invaluable in the planning and implementation of your conference. We have a manager on duty at all times to oversee all parts of the day.

We will provide excellent support for the duration of your event.

We understand that you will require one to one support throughout the day. We have staff who deal solely with the conference centre. One of our staff will be appointed to your conference and be there to offer assistance throughout the day.

With AV and technical equipment being such an integral part of a conference, we have a support team here ready to offer assistance with any problems that may arise in this area.

We are aware of the issues that can arise throughout the planning of your conference and indeed on the day.

We are confident in our ability to deal with these issues for you given our experience. With this in mind we aim to change procedures as needed in accordance to each individual booking.

## TECHNICAL ISSUES

We are able to assist with any problems which may arise with laptops, internet access, data projector etc.

## TIME DELAYS OR CHANGES

This can be something which can happen very easily, although not something which needs to be a problem. With the right notification, staff can adjust meal and break times to suit.

## TRAVEL

We realise that given our central location we are particularly accessible to the majority of people. Given this, we understand that travel can be an issue for some. We are happy to arrange taxis, offer bus and train timetable advice and assist with any travel issues that arise.

# Planning your Event

---

## CONSULTATION

We will identify a booking contact from the hotel for you to deal with.

Initial Consultation will take place regarding your conference – this can be over the phone or we can arrange a meeting for you to come and view the hotel, whichever is more suitable to your schedule.

## FINAL TOUCHES

One week prior to your conference taking place...

- We will finalise meal choices, accommodation requirements and equipment which you will require on the day.
- We will inform you of your points of contact on the day including Manager, Receptionist and Conference co-ordinator on the day.

## AT THE EVENT

Your conference will be welcomed by Glenavon Hotel

- Registration will take place.
- Organisers can go through the running procedure of the day, whilst readjusting meal and break times as needed.
- Any changes with room set up, technical equipment can be facilitated by our in house maintenance team.
- Finalisation of billing.
